Life is filled with unexpected events

For \$16 a month, you can help protect everything you've worked so hard for, even after you're gone.

NCPERS Public Employee Financial Protection Plan gives your family extra financial security when they need it most: when you're no longer there to help provide for them. This coverage is guaranteed issue, which means there are no medical questions or exams. **You can never lose coverage because of a change in your age or health.** And you'll be happy to know that your coverage is issued by **The Prudential Insurance Company of America (Prudential)**, a company with over 100 years of group life insurance experience. We're pleased to offer you this opportunity. Don't miss out—enroll today.

Sincerely,

Daniel Fortuna
President

More coverage when you need it most

The plan is designed to pay a maximum benefit amount in your younger years, when your financial obligations may be more significant. That benefit gradually decreases as you get older, when your financial obligations may be less. And the flat rate helps ensure it's affordable coverage the whole time, with no surprise rate hikes.

AGE
50
AND UNDER

\$16 a month means:

A way to supplement pension survivor benefits during the early family-building years, when your family's needs are greatest.

OVER
AGE
50

\$16 a month means:

Your family will have help covering essentials like funeral costs, medical bills, and credit card debt.

Exclusive member benefit—**\$16/month.**

NCPERS has paid **\$13 million** in benefits in 2016 and covered members and their families for 40 years.

NCPERS' Public Employee Financial Protection Plan includes:

For You: Group Decreasing Term Life

With Group Decreasing Term Life Insurance, your family can have insurance protection against the unexpected. The money can go toward paying for funeral expenses, mortgage, rent, credit card bills, college tuition, and other expenses.

For You: Accidental Death & Dismemberment (AD&D)

Your beneficiary can receive an additional benefit for loss of your life resulting from an accident. You may also be eligible for a benefit if you are in an accident which results in specific injuries. Injuries covered may include loss of sight, coma, or dismemberment of hands or feet.*

For Your Family: Spouse and Dependent Group Decreasing Term Life

At no added cost, this plan provides Dependent Group Decreasing Term Life Insurance for your spouse or domestic partner and a flat benefit for all of your dependent children. The benefit amount will be paid to you in a lump sum on an eligible dependent's death, and the benefit amount will be determined by your age at that time.

**See the Booklet-Certificate for complete plan information, including limitations and exclusions.*

A group rate that's competitive

NCPERS guarantees that every active member, regardless of age, pays \$16 a month, and it will **never increase**.

NEW! Student Loan Protection Benefit

If you are age 45 and under, approved for a waiver of premium claim due to a total disability, and have an outstanding student loan balance, Prudential will reimburse the amount of student loans that you owe up to a maximum of \$50,000. We developed this benefit to help address the rising burden of student loans.

Waiver of Premium

If you are less than 60 years old and become totally disabled for at least nine months, your insurance may be continued without further premiums, as long as you furnish annual proof of your continued total disability satisfactory to Prudential.

Option to Accelerate Payment of Death Benefits*

If you are terminally ill with a life expectancy of six months or less, you may receive up to 50% of your insurance benefits—up to a maximum of \$112,500 in advance. The death benefit, payable to your beneficiary, will be reduced by that amount.

If you cease to be a member, you can convert your insurance to a Prudential individual life policy within 31 days following termination of insurance. Dependent Spouse or Domestic Partner Group Decreasing Term Life coverage can also be converted if you cease to be a member or die.

Information about when coverage begins and ends

If you enroll within 90 days of your date of employment, you will become insured on the first day of the month following your first payroll deduction. If you enroll during the open enrollment period, your coverage begins on the first day of the month following your first payroll deduction. Your member coverage will be delayed if you are not actively at work on the coverage effective date. Instead, your coverage will begin on the date you meet the actively-at-work and other insurance requirements for covered members. Dependent coverage begins when your insurance coverage becomes effective. Coverage will end if you discontinue payments, cease to be a member of the eligible classes, or if the plan is discontinued. Refer to the Booklet-Certificate for details.

*Option to Accelerate Payment of Death Benefits is a feature that is made available to group life insurance participants. It is not a health, nursing home, or long-term care insurance benefit and is not designed to eliminate the need for those types of insurance coverage. The death benefit is reduced by the amount of the accelerated death benefit paid. There is no administrative fee to accelerate benefits. Receipt of accelerated death benefits may affect eligibility for public assistance and may be taxable. The federal income tax treatment of payments made under this rider depends upon whether the insured is the recipient of the benefits and is considered terminally ill. You may wish to seek professional tax advice before exercising this option. This brochure describes the Group Insurance Plan in a general manner.

A Booklet-Certificate with complete plan information, including limitations and exclusions, will be provided when you enroll. If there is a discrepancy between this communication and the Booklet-Certificate issued by The Prudential Insurance Company of America, the Booklet-Certificate will govern.
